Student: Janet Keating
Study Title: Exploring newly qualified psychotherapists' lived experience of supervision in Ireland: an Interpretative Phenomenological Analysis
Ref: SNPCHERC/023/05/05

Dear Janet and Stephanie,

Thank you for your application for approval from the SNPCH Ethics Review Committee (ERC) for the above-named study. You have effectively responded to our feedback and so you have our approval to proceed with the study.

Good luck with your research.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Mark Philbin', is enclosed in a light grey rectangular box.
